These elections were held in compliance with both the letter and spirit of Students' Union Bylaws. I am satisfied that our processes were fair and transparent and that the results reflect the will of the electorate.

I want to explicitly thank Ethan Chow and Ancilla Okafor for their fantastic work as our Deputy Returning Officers. I would also like to thank Julian Yan and the rest of the Students' Union staff for their patience, support, and guidance throughout this tough election period.

Congratulations to all candidates and campaigns for their hard work!
